PAINT SHOP

We Paint
ANYTHING
in any **COLOR.**

THE RING POWER ADVANTAGE

- Stand-alone paint shop equipped with heated paint booths and sandblasting booths
- Capable of refinishing all kinds of products **(not just heavy equipment)**
- Sandblasting with high-quality red garnet material removes old paint with superior etching for paint adhesion
- Expert masking and taping protects machine parts that do not need to be painted
- Color matching with more than 50 common industry colors available same day
- Custom Corrosion Protection Packages
- Paint Booths accommodating up to 60' long and 20' wide
- Multi shift/quick turnaround

RING POWER'S STATE-OF-THE-ART PAINT FINISHING FACILITIES

Help restore and protect the value of your equipment with a reasonably priced, high-quality factory finish. Your equipment—whether it's a bulldozer, truck, tractor, boat, crane, missile carrier or torpedo launcher—will be pressure washed, sandblasted, primed and painted with the utmost care and returned to you quickly, looking almost like the day you bought it.

ANY MAKE, MODEL & COLOR SATISFACTION GUARANTEED!

THE PAINTING PROCESS

- Pressure Washing
- Sandblasting
- Body Work/Metal Fabrication
- Priming/Painting
- Applying New Decals/Graphics

Ring Power's professional, state-of-the-art, full service paint facilities gives you more than 8,000 colors to choose from and restores and protects the value of your equipment with a reasonably priced, high-quality factory finish.
